Dear Mrs Fimmano

North Glenhaven

I am writing to advise you of the outcome of the Government's evaluation of the above site under the review of potential housing opportunities also known as the Potential Home Sites Program.

The CEOs Review Committee and Cabinet Taskforce on Housing Supply have endorsed an evaluation report of 29 large sites in the Sydney Region under the Program, including the above site. The Evaluation Report is available on the Department's website at www.planning.nsw.gov.au

As you are aware, the Program aimed to identify suitable sites where housing could be delivered in the short term at no additional cost to government. In short, the evaluation found that no single site fully satisfied all objectives of the Program. However, the Government has supported immediate action to progress seven nominated sites and supported investigation of a further thirteen sites through upcoming strategic plans.

While the Government considered your site did not fully satisfy the criteria of the Program, primarily because it is fragmented, it agreed to investigate the potential of land beyond the northwest boundary of Sydney under the Metropolitan Strategy including your site. You will have an opportunity to comment on the draft plan when it is released shortly.

I would like to thank you for nominating your site for consideration. Should you want further feedback on its evaluation under the Program please telephone 9228 6471 to arrange a meeting with Mr Andrew Jackson, Executive Director, Infrastructure and Planning Strategies.

Yours sincerely

HON BRAD HAZZARD MP
Minister
